Standards & Models

All program implementation is implemented in accordance with well-known standards from ISA and EIC.

- ANSI/ISA-88 (S88)
- ANSI/ISA-95 (S95) Level 1, 2 & 3
- IEC 61131-x Programmable Controllers
- IEC 61512-x Batch Control

Project process and documentation is done by Wenell Task + Assignment models. In a larger context we use experts to implement and follow project models.
